

We handle all requests for donations and involvement in community events in our stores. Trader Joe's can only donate to non-profit (501c3) organizations with a valid, current tax ID number.

Donations are limited to one per year, per organization from Trader Joe's Company (not one from every Trader Joe's store in your area).

All donations are to be arranged with the Donations Coordinator at your neighborhood Trader Joe's. The following information is necessary for a donation to be considered:

- A written request, on the non-profit group's letterhead, delivered to the store by your organization's representative, explaining the nature of the organization, why the donation is needed and what kind of donation is being requested.
- A valid tax ID number should also be referenced on the written request.
- Written requests should be made at least three weeks prior to the date donation is needed.

Please understand that because we receive so many requests, we are not able to accommodate every organization.
